SOMOTF/mazlek, I love all the ficlets with their first baby, especially the ones showing them having fun in the water (the beach, pool, etc.) Can we see a ficlet of like Joe holding their happy baby in the bath while Rami takes pictures?

“Look at daddy, JJ!” Joe coos, planting a sloppy kiss on his baby’s chubby cheek. JJ gurgles happily as Joe turns the boy in the water to face Rami, who quickly snaps a few photos on his phone.

“You love the bubbles, don’t you?” Joe grins, scooping up some bubbles to place them on top of JJ’s head in a big soggy lump.

JJ laughs delightedly at that, clapping his tiny chubby hands together while Rami takes some more photos, before Joe carefully washes the bubbles away with a small pot of water.

“There we go,” Joe says softly, kissing JJ’s nose. “Nice and clean, huh?”

Rami reaches forward to stroke his son’s wet hair. “Looks like you’re gonna be ginger like your mom.”

“The ginger gene is unbeatable,” Joe says proudly, lifting the baby out of the bath while Rami fetches a towel. “Sorry to break it to you, but all our kids are gonna be ginger.”

“All?” Rami says with a smile as he starts to dry JJ off with the towel.

“Well yeah. You didn’t think we were stopping at one, right?”

“Absolutely not.”

Okay, I can’t get this out of my head but I’m just picturing SOMFT Mazlek-Joe presenting Rami with the outstanding performer of the year award at the SBIFF as his SUB?! (If you haven’t seen that speech go watch it, it’s PEAK Mazlek content) like Rami would be so proud that he’s receiving an award from his sub but also that since he got to choose the presenter he pushed Joe to do it and the film festival actually said yes! Just picture that speech, it’s already so loving but as Dom/sub?? Omg ?

I actually haven't seen it but OMG I love this!!! It would mean so much to Rami to have Joe present an award to him. And it would be such a big moment to see a sub do the presentation

SOMOTF: would Gwil and Rami get shit for being close to one another? Sorry if it's already been asked!

Things are a little better at the time of SOMOTF so most people wouldn't be bothered by two Doms spending lots of time together and being close (although of course there are those who are dicks about it). It's something that would probably be picked up on more around the time of IBTYF

Can we get some SOMOTF Harlee with their babies?

If someone had asked Gwil ten years ago if he ever thought he'd end up with four children, he would have laughed.

Yet here he is, collapsed on the sofa after a tiring day at the beach, with four small people draped across his and Ben's laps, snoring softly.

"Your beach idea was amazing," Ben yawns. "They'll be out all night."

Gwil grins and strokes Max's hair. "I do occasionally have good ideas."

As his eyes sleepily meet Ben's, Gwil can't help but feel utterly content. His family is happy and safe, and even though he knows he'll probably be woken in the early hours of the morning by four energetic voices, he wouldn't change a thing.

joe telling rami that's his pregnant? maybe rami had a rough day on set (somotf)

There are very few days where Rami hates his job.

Today is one of those days though.

By the time he gets home he still feels chilled to his bones, frozen from spending six hours reshooting the same scene in a swimming pool.

But he instantly feels warmer when he sees Joe curled up under a blanket on the sofa.

“Hey,” Rami says softly, smiling for the first time that day as he drops a kiss onto Joe’s hair.

“Feeling better?”

“A little,” Joe says with a warm smile, pulling Rami down to sit with him. “Might need to visit the doc though.”

Rami frowns. “You think?”

“Uh-huh. I’m pregnant.”

Rami blinks, taking in the excited look on Joe’s face. “You’re kidding.”

“Nope. I’m knocked up.”

Rami squeezes Joe’s hand, thoughts of the pool long forgotten. “You’re not shitting me?”

“I’m not shitting you,” Joe laughs. “You’re gonna be a dad.”

Rami laughs too, and then he’s pulling his sub in for a kiss and holding him close as he decides he’ll never complain about his job again.

He’s tempted to text everyone immediately, but he knows he needs to tell Rami in person. His

SOMOTF/IBTYF A bit after Ben & Joe have their babies, Joe and Rami are in London visiting Ben & Gwil. I would love to see the once in blue moon sub time between Ben, Joe, Roger, and John. The older subs making them feel fantastic about their post baby bodies. Hi yes it's me, the annoying anon obsessed with the post baby bod asks! I had my first one at 17 & my second at now at 23. I love the post baby bod asks your body has done incredible things honey and I'm sure your fiancée and friends remind you how beautiful you are ?

"I haven't had a chance to go to the gym yet," Joe laughs nervously as he steps out of his underwear.

He sucks in his stomach a little, painfully aware of how tubby his tummy is. He just feels so...*big*. Everything feels huge. His tummy, his thighs, his ass.

"I barely had time to breathe when my children were born," John chuckles, pulling Joe into his arms. "Let alone go to the gym."

Joe smiles and leans in for a kiss, relaxing a little as he presses his body against John's.

"You look beautiful," John says softly, his eyes sweeping down Joe's body. "You look like a mother. Freddie used to say there's nothing more beautiful than a mother."

That sparks something warm in Joe's chest, and he glances over to where Roger is gently kissing over the stretch marks on Ben's tummy.

"You're both gorgeous," Roger agrees. "Any worries you have about your bodies right now- I can guarantee you both Deaky and I have had them before. And look at us. We're both still pretty hot."

John laughs and blushes at that, but Joe pulls the older sub in for another kiss.

"He's right," Joe grins. "You look amazing. I can't believe you've had three children sometimes."

John smiles warmly. "I used to worry about my body a lot after I had my children. Giving birth and chestfeeding takes its toll. But I had my Dom and my best friends to remind me that the stretch marks and extra fat was all part of what made me beautiful."

"We're hot mamas!" Ben giggles, his face already flushed.

Mazlek -SOMOTF. Joe decides to keep directing movies but no one really takes him seriously because subs don't usually fit in any position of power since "they lack the sense of leadership". Rami joins the project, because he wants to work with him and also give the project some relevance as an award winner. How do you think he would deal with his sub directing him or giving him "orders" in public? And how would Joe deal with the situation? Thanks!

Rami would have no problem taking orders from Joe in a professional capacity. He respects the position of the director, regardless of whether they're a Dom or sub, plus he knows what

an amazing director Joe is and trusts his judgement. He's a real role model for others on set too. Joe isn't used to giving his Dom orders, and it takes him a little while to build his confidence, but having Rami there really helps him. Rami is super respectful and doesn't let their personal relationship get in the way of their professional relationship.

Rami doesn't really have a problem with it. Especially not when Joe is wearing nothing but one of Rami's hoodies and his boxer-briefs. The Dom in him feels smugly possessive to see Joe in his hoodie, and it makes him want to bend Joe over the kitchen table and pull those tight little briefs down.

Ben joe john and rogers's sub time!! Ben joe john and roger's sub time!!!

Joe grips onto the wall for support, because he's pretty sure his knees are about to buckle. He opens his eyes and gazes down at the three submissives on their knees before him, giving him the most incredible blowjob of his life. Ben is sucking Joe's cock enthusiastically as John and Roger mouth at his balls, and he's pretty sure he's about to come.

"Stop," Joe says breathlessly. "Oh my god, you guys. You're fucking amazing."

Ben pulls off of Joe's cock and smiles up at him. "What next then? This is your night."

"I need some water," Joe chuckles. "Need to hydrate. Why don't you guys go to the bedroom and start without me?"

He watches as Ben helps the two older subs to their feet, and the three of them giggle at him before retreating into the bedroom. Joe lets his eyes momentarily dip to fix on their bare asses.

He takes a few minutes to compose himself in the kitchen, chugging a glass of water as his heart pounds. His fingers brush over the collar at his neck. It's been a crazy few days. He's finally been claimed by Rami, and now he's spending his sub night with his best friend and two rock stars.

When he makes it back to the bedroom, his cock hardens at the sight that greets him. There are a variety of sex toys spread out across the bed and floor- some are his own which he'd laid out earlier in anticipation of tonight, but there are a few he doesn't recognise.

Roger and Ben are already lost in each other on one side of the bed, with Ben bouncing happily in the older sub's lap.

John is lying on his back on his own, his face flushed as he works a vibrator inside himself.

"Having fun?" Joe grins as he climbs onto the bed beside John.

"It'll be even more fun now you're here," John chuckles.

Joe leans down to brush their lips together. "Want something a little warmer inside you?"

"Yes, please," John whispers, kissing Joe's ear.

It only takes Joe a few seconds to roll a condom on and lube himself up, and then he's hitching John's thighs up on his hips and pushing inside the older sub gently.

It's been a long time since Joe has topped, and while he's never really enjoyed it with a Dom, it's something he loves to do during sub time. John is tight and warm, and Joe nudges their noses together as he bottoms out.

"Now, didn't Brian ask me to fuck the cheekiness out of you?" Joe grins.

"Not sure what cheekiness he was talking about," John purrs, rolling his hips.

"Still gonna fuck you," Joe laughs.

“Don’t get your hopes up too much, baby,” Rami says softly. “I’m sure they’re probably very busy.”

Joe shrugs as he licks the envelope. “I know. Just thought it would be nice to send them an invitation.”

He doesn’t want to tell Rami how much he *really* wants them to come. How much he’s been fantasising about it.

Like Rami said, he shouldn’t get his hopes up.

It takes a while to get a reply.

The RSVPs start coming in two days after Joe sends out the invitations, but it takes nearly two weeks to receive *theirs*.

London is a long way away, after all.

But Joe receives a response in the form of a text three days before the formal acceptance arrives in the mail.

You finally set a date- congratulations! We’ll be there :) -JRM

Joe can barely contain his excitement, even though the ceremony isn’t for another ten months, and quickly grabs his seating chart to slot in three extra guests.

It comes round quickly though.

As a boy, Joe would never have dreamed that he would look out into the crowd of his loved ones on his claiming day, and see the faces of the surviving members of Queen smiling back at him.

Brian is dressed in a smart suit and is sat between the two submissives, who are both dressed in traditional robes, and Joe has never felt happier to see them.

He can’t believe they’re actually *here*.

They find him during a quiet moment at the reception, and Joe nearly cries with happiness.

“I can’t believe you’re really here!” Joe says excitedly, pulling John into a hug.

“It’s good to see you again, Joe,” John says softly. “Congratulations.”

Rami comes over to give Brian a hug, and to press a gentle kiss to Roger’s and John’s knuckles.

“Congratulations to you both,” Brian says warmly. “We’re very happy for you.”

“We bought you a gift, Joe.” John presents Joe with a small box, which the younger sub thanks them for and opens carefully.

It’s a fucking diamond necklace.

“It’s a fucking diamond necklace,” Joe blurts out, apologising when Rami gently scolds him. “Oh my god. I don’t know what to say.”

“It’s traditional in England to give diamonds to a sub on their claiming day,” John says with a smile.

“Thank you. Thank you so much. You’re all the best.” Joe gives each of them a hug, before looking at John and Roger hopefully. “As it’s my claiming day, I was wondering if I could ask you guys one more favour. But you can totally say no.”

“Depends what it is,” Roger chuckles.

“Okay, so in the US it’s traditional for a sub to have a night of sub time with those closest to them the night after their claiming day. At the moment I’m just spending my sub night with Ben, but I’d *love* it if you guys could join us.”

There’s a pause, and then the older subs smile at him before Roger bats his eyes at his Dom.

“*Please, Master,*” Roger says sweetly. “It’s a very special night for Joe.”

“It’ll be good for us, sir,” John adds with a cheeky smile. “Ben and Joe might teach us a new trick or two.”

Brian chuckles and rolls his eyes playfully. “Do you see what I have to deal with, Rami? Aren’t you glad you only have one sub to look after? But very well, permission granted. Joe, my submissives are yours for the night. And darlings, you’re to be on your best behaviour as guests in Rami and Joe’s home.”

“I’m not gonna be there,” Rami chuckles, “but now I kinda wish I was.”

He even *winks* at John, who blushes and bursts into giggles with Roger when they catch each other’s eye. It makes Joe think of the time when Rami had playfully winked at John on set one day in the presence of John’s oldest son, who had made his feelings on that kind of behaviour *very* clear to Rami.

“My queens have already had too much champagne,” Brian stage-whispers to the young couple.

“Joe, make sure you or Ben fuck the cheekiness out of these two please.”

“Ooh, yes please!” Roger cackles.

“Let’s get you two sobered up a little,” Brian sighs. “Rami, Joe, congratulations again. Come, darlings.”

Joe watches as the three older men disappear into the crowd, feeling as though he’s just woken up from a dream.

He’s standing beside his new legal Dom holding a diamond necklace, and Brian May has just given him permission to spend his sub night with John Mercury and Roger May.

Best. Day. Ever.

Just woke up from a nap and I remember dreaming about Bri, Roger, and John being swarmed by their surrogate grandchildren (JJ, Daniel, and Sara Malek + Maxwell, Owain, Anwen, and Jessica Lee) on Christmas or something, like they're sitting on the sofa trying to hold every kid in their arms at once

So many children! ?

The boys love having so many surrogate grandchildren (on top of their own numerous grandchildren!) They love knowing that they played a role in creating these families, and the young couples remind them so much of themselves.

Can we see Brian and Gwil tearing Craig apart after he makes Ben and Joe walk back to their trailers naked as punishment? Could Brian make himself their nominated Dom during filming after that?

Craig is so fiiiiiiired

The Dom is sacked right there on the spot so that everyone knows they don’t dare treat subs with anything other than respect on this set. Craig receives the most humiliating telling off in his life, and only escapes a punch from Gwil because Brian holds him back.

Since Ben and Joe’s nominated Doms are so far away, Brian offers to be their chaperone for the rest of filming. The subs are very flattered by this (not least because of their tiny crushes on Brian)...

Can we see a continuation of that SOMOTF prompt with Craig making the subs walk back to the trailer naked? Maybe the subs telling Roger and John, or Gwil talking to Brian about it?

“He made you do what?”

John’s voice is soft, not an ounce of judgment in his tone.

Joe just blinks at the older sub, trying to hold back tears. He can’t bring himself to say it again.

But then John’s arms are around him, holding him close, and the sweet submissive scent calms him a little.

“It’s alright, Joe,” John says gently. “We can sort this out. I’ll speak to Brian.”

Joe sniffs. “Everyone saw us. I won’t be able to look anyone in the eye again.”

There are fingers in his hair, stroking gently.

“I understand, Joe. Believe me, I know how it feels. But I can guarantee that everyone who saw you was probably just thinking about what kind of an awful Dom would make you do such a thing.”

Joe sobs quietly while soft lips kiss his tears away, and now more than ever he wishes Rami were here.

What if during SOMOTF, while filming a nude scene, Ben and Joe end up needing more takes than Craig would like, so he decides to punish them by taking their robes and telling them that they’ll have to walk back to their trailers naked.

Gwil is the one who finds them.

They’re trudging back to their trailers, freezing their asses off in the cold winter air, when Gwil spots them from the other side of the courtyard.

“What the *fuck*.”

The Dom is at their side in an instant, and Joe really just wishes that they’d been able to get back unnoticed.

“Why are you naked?” Gwil demands, pulling off his coat to offer it to Ben. “It’s fucking freezing.”

“Craig wouldn’t give us our robes,” Ben says tiredly. “We were doing a sub time scene and it

took like thirty takes.”

“Jesus.” Gwil pulls off his jumper and hands it to Joe, before starting to unbuckle his belt.

“It’s ok, man,” Joe says quickly. “My trailer’s just over there-“

But Gwil is already pulling off his trousers and handing them to Joe. It can’t be comfortable standing there in the cold in his underwear, but Gwil looks too furious to notice.

“I’m telling Brian,” Gwil says firmly. “It’s not Craig’s place to punish you.”

“Please don’t,” Ben says softly. “We don’t want to cause any trouble.”

His cheeks are flushed red, and he looks so small and vulnerable in Gwil’s big coat that Joe just wants to give him a hug.

Gwil doesn’t say anything, but he gently places a hand on each of their arms and guides them towards the trailers.

Ben is quite open to negotiating punishments as they go along, but in general he doesn’t like any comments about his body or any punishment that draws attention to how he looks, positive or negative.

Joe doesn’t like his Dom to leave marks on any skin that might be visible. Rami also initially expresses an interest in pet play, and while Joe does give it a go and thinks it could be a

Somof: ben gets pregnant and tells roger about it during sub time

One of Ben's favourite places in the world is the Mays' sofa in their living room.

It's super big, super comfy, and whenever Ben is sitting on it he's usually always cuddled up with Roger.

Ben is still a little bit thrilled that Roger May still randomly texts him and invites him over for sub time; he'd wondered whether their friendship would fizzle out after filming wrapped, but if anything they've only become closer.

"No John today?" Ben asks with a yawn as he surfs through the channels on the large plasma TV.

"He's having some sub time with his son," Roger says, not looking up from his magazine. "I think they're doing a spa day or something together."

Ben nods, jiggling his foot slightly as he leans his head against the older sub's shoulder.

"That's nice." He swallows. "I'm pregnant, you know."

Roger stiffens, clearly a little shocked by that random information, before lowering his magazine. "You're what now?"

"Pregnant," Ben says with a smile. "Sorry to just dump that on you, but I only took the test this morning and haven't had a chance to tell Gwil. I had to tell *someone*."

Roger grins. "Well I'm very glad that someone was me. Congratulations, Ben. I'm so happy for you."

He pulls the younger sub into a hug, and Ben can't keep the smile off his face.

IBTYF/SOMOTF the exams for subs do they improve or get more private at all? Or do they remain open and in groups?

They only improve for subs whose Doms are willing to pay for them to have these exams done privately. The exams aren't offered privately until the 90s, at which point Brian obviously pays for Roger and John to have them privately, which means they don't have them

done in a big group. But a lack of funding for sub healthcare means that anyone who goes through the usual system still has a rough time of it.

Ahh I like the idea of subs being able to accompany other subs for medical exams- what about Joe having to have his first exam in England while filming and bringing John as his chaperone? (And because John's done it so many times he knows exactly how to help)

Joe had thought that submissive medical exams in the UK might be a little more *progressive* than in the US. Or at least he'd hoped they would be.

He hates how wrong he was.

The lack of privacy is astounding for one thing. He's in a row of beds with about a dozen other subs, all of different ages, chatting quietly with their chaperones. They're all naked, denied the dignity of a hospital gown, and Joe has never felt more exposed before.

Luckily John had warned him about this, so he hadn't been *too* shocked, and John has seen him naked on more than one occasion. The older sub is doing his best to distract Joe while they wait for the doctor to arrive, chatting to him about what scenes Joe will be filming tomorrow and how much John is looking forward to seeing his grandchildren this weekend. "You don't have to," Joe had said when he'd asked John if he'd be his chaperone. "I know it will be super awkward and I'm sure you've got better things to do, but Ben has to go out of town to see his parents and I don't know any other subs here well enough."

John, of course, had immediately agreed and had been painfully kind from the moment Joe had admitted his nervousness.

Joe starts to feel that nervousness again when the doctor enters. He's an older Dom, most likely in his sixties and nearing retirement, but he gives Joe a kind smile and John a respectful nod. He doesn't give his name though as he starts looking through Joe's records.

"Alright, Joe," the doctor says without making eye contact. "It looks as though it should be fairly straightforward. Your last exam in the US looks good, although now that you're 35 I'd like to do a bit more of a thorough exam, as this is typically the age when we start to see fertility decline in submissives."

"Uh-huh," Joe says, keeping his eyes fixed on John's reassuring smile.

The doctor can clearly sense Joe's nervousness, and finally makes eye contact. "Don't worry, I'll talk you through everything. I'll make things as easy as possible. And it's good that you've got your mum here to support you."

Joe freezes at that, glancing awkwardly at John and wondering whether he should bother to correct the doctor. John has gone slightly red, a little embarrassed, which helps Joe make up his mind. John reminds Joe so much of his own mother, and the older sub has been one of the best sources of comfort for Joe while he's been so homesick.

"Yeah," Joe says softly, reaching out to take John's hand. "I'm really glad he's here."

John *beams* as he gently squeezes Joe's hand.

SOMOTF Verse. Can you please write Craig being rude at Ben and trying to punish him and Gwil finding out

Gwil frowns when he arrives on set to find Ben balancing on one of the wooden benches from catering, holding what looks like a heavy crate in each hand.

Whatever he’s doing, he’s clearly uncomfortable. His muscles are straining as he attempts to keep his balance and prevent himself from dropping the crates, and there are beads of sweat on his forehead. There’s a small crowd gathered around him, which leads Gwil to realise that this is a *punishment*.

Ben does eventually drop one of the crates, and he topples off the bench.

“We said half an hour!” Craig’s voice pipes up from the crowd. “Get back up there before I sack your arse-“

Gwil pushes his way through the crowd until he finds Craig, and gives him a firm shove aside so he can help Ben up.

“He’s not your sub to punish,” Gwil says to Craig as he squeezes Ben’s hand. “And Brian *will* be hearing about this.”

"There we go," John says softly, handing Ben a glass of water and some tissues. "Just take a couple of minutes to calm down."

Joe sips his own water. Even though he's fully dressed again, he still feels naked. He can't quite believe that he was *naked* the first time he met Queen.

John Mercury gives him a warm smile though, a motherly smile. The kind of smile that makes Joe think maybe everything will be okay.

"Don't worry," John says gently. "Brian is giving the producers a good talking to. You won't have anymore trouble from them on set."

"If we get the job," Ben laughs bitterly.

"Something tells me you will. I've seen your first audition tapes. You two are uncanny."

That makes Joe feel a little better, although he can't help but think that John is just being kind.

"I'm sorry this happened to you." John sighs sadly. "I can't believe this sort of thing still goes on. This is like the stuff I had to do in the 70s and 80s."

Oooooo what if ibtyf!borhap is sort of groundbreaking in a way because a lot of movies don't portray subs having sweet/loving/comfortable sub time together because the dom dominated film industry never cared to subs being relaxed and comfortable with other subs since they always saw them as only needing to pleasure doms and anythin in films that could be considered "sub time" always came across super unrealistic and for the 'dom gaze' (kinda mimicking the way lesbians/wlw are portrayed in media)

Films in the IBTYF verse definitely centre around the Dom gaze. When Bri, Rog and John first read the script for BoRhap they're quite concerned about some of the sub time scenes, which are pretty much just pornographic without portraying any of the love and comfort between Rog and John. It takes some intervention from Brian to get the script changed.

Even after filming wraps Brian has to request further edits, e.g. where the camera lingers a little too long on Ben's/Joe's rear.

Aaa do you think you could write about Ben & Joe's experiences at their auditions in SOMOTF where Craig makes them undress?

"Excuse me?"

Joe can feel his blood turn cold, and he prays he's misheard what the producer just said.

"It's just a little screentest," Craig says with a dismissive wave. "Your agent made you aware that this is a role that requires nudity. We're asking all the actors who audition for this role to do a quick nude screentest."

Joe swallows. This isn't the first time he's been requested to do something like this at an

audition, and he knows there's not a lot he can do about it.

"Unless," Craig drawls, "you're no longer interested in the role? Which would be a shame, because you really would make a fabulous John Mercury."

Joe takes a deep breath. "No, I'm interested."

Craig gestures at him to undress, and Joe swallows his pride as he pulls his t-shirt over his head. It's always the same with these auditions. There's never anywhere private to undress, and he's painfully aware that every other person in the room is a Dom. He knows there's probably only about half a dozen Doms in the room with him, but right now he feels as though he's stripping in front of a crowd of hundreds.

He folds his clothes neatly, before taking a deep breath and facing the producers defiantly.

Ben shivers in the air-conditioned room, the hairs on his bare skin standing on end.

He can feel every Dom in the room drinking in the sight of him with their eyes, and he wants to be sick.

"I think you'll do nicely." Craig licks his lips. "Roger May was quite slim in the 70s, of course, but I think you'll do just fine."

Ben's face is burning with shame, and he just wants to get out of this damn audition as quickly as possible.

"Look into the camera please." Craig gestures at the cameraman who's been taping the whole audition. "Say *I'm yours, Master.*"

Ben repeats the line with the emotion and energy he imagines Roger May would say it. No matter how big an asshole Craig is, Ben is still a professional.

"I'm wondering actually," Craig taps his pen thoughtfully against his notebook, "whether we should get you back for another screentest. We're thinking of casting an American actor to play John, but it would be lovely to see the two of you do a screentest together just to see what the chemistry is like. There are a few sub time scenes in the movie, after all."

"Who's a sleepy bubba?" Joe coos as he towels his son dry and starts to dress him. "You had a big day today, huh?"

"He sure loved the water," Rami grins, taking Jason so that Joe can wriggle out of his wet bathing suit. "Maybe he'll be a professional swimmer one day."

"Maybe," Joe grins, grabbing his collar and heading towards the bathroom. "When he can learn to stay awake after more than ten minutes in the pool. Why don't you put him to sleep while I take a shower, and then we can have some private mommy and daddy time."

Rami smiles and kisses Jason's head. "Sounds good to me."

You mentioned in SOMOTF that Joe had an asshole of an ex-boyfriend that Rami met on the set of the Pacific. Could we get a glimpse of jealous, worried Rami seeing them together?

Rami has to physically restrain himself from rolling his eyes.

Josh is on set *again* today, and he has his hand on Joe's ass. *Again*.

Rami doesn't think he's ever met a Dom he's disliked more.

For some reason, Joe seems to put up with Josh's bullshit alpha-Dom behaviour. He lets Josh boss him around and make jokes about him and degrade him in front of his colleagues.

Rami feels a little sick as he watches Josh take a seat, and Joe immediately sits at the Dom's feet rather than in the empty chair beside him. He watches Josh gently stroke Joe's hair like a dog, and he just wants to punch the guy.

Rami can barely admit to himself that there are other reasons he wants to punch Josh.

Reasons that involve wanting to kiss Joe and collar him and make love to him.

Reasons he can't think about right now.

SOMOTF/Freddie!lives au, I love the idea of Freddie telling Rami to get a move on with telling Joe how he feels. Like they'd be looking at Joe and John talking near the visiting deacury family, and Rami would be nervous about risking it; Freddie would understand, but he'd point to John and all his kids and grandkids, saying, "-but the payoff is magnificent, darling!", before walking to play with the grandchildren. Rami would look at Joe (with the fake baby bump for the scene) and wonder...

Maybe Joe pretends to lovingly stroke his fake baby bump, and it really makes Rami long for it to be real. In the scene he kisses Joe (as John) and strokes his bump, and he desperately wants it to be real. Especially when he sees how happy Freddie is with his beautiful submissive and their children and grandchildren. He wants a love like Freddie and John's.

Can we get something with Andrew confronting Craig about his behavior towards John?

Andrew doesn't bother to knock. He's too furious and he doesn't care if he's interrupting. Craig is in the middle of some paperwork; he looks up from his desk with a confused look, as if he can't quite place Andrew.

"Stay away from my mother," Andrew says immediately, forgoing the pleasantries.

Recognition dawns on Craig's face. "Andrew, how nice to-"

"I don't want you going near my mother," Andrew interrupts. "I don't want you talking to him, I don't want you touching him."

Craig sighs. "Look, I don't know what John's been telling you, but I promise you I've treated him with the same respect I'd give any other sub. We were having a little friendly flirt the other day, and he was certainly enjoying himself. You know what subs are like, eh?"

"He was *not* enjoying himself." Andrew can feel the rage coursing through him.

"Oh come on," Craig laughs. "Is that what he told you when your father died and he jumped into bed with Brian right after the funeral? And here he is twenty-five years later, *still* in Brian's bed-"

Andrew doesn't hesitate before aiming a swift punch to the older Dom's jaw.

He doesn't even stay to examine the damage he's caused- he turns on his heel and leaves, desperate to get some air.

"You haven't been here in a while." Craig's voice is soft and he's standing uncomfortably close.

"I'm not so good with crowds." John folds his arms over himself nervously.

"It's very friendly around here. And don't worry, I don't enforce a no-clothes policy for subs," the Dom chuckles. "Although when you're around, I kind of wish I did."

John freezes, his blood running cold.

"I'm sorry," Craig says quickly. "That was a poor joke." He reaches over to squeeze John's arm. "I just think you're so...well. You're still one of the great beauties of the music industry."

Aww just imagine when the filming for Ridge Farm starts, Joe and Rami bring little Jason to set and everyone is cooing over him while Jason is loving all the attention. For the scenes where they don't need the baby, he stays with John, Roger, and Bri who immediately adopt him as one of their own grandchildren. He's so soft and warm and snuggly that they're reluctant to give him back to his parents at the end of the day?

in the actual timeline though I totally hc that the Queen boys unofficially adopt Jason as one of their own grandchildren

"No," Rami says quickly. "Not at all! Sorry, I'm still in costume and make-up. You wanna come in?"

"Sure. This will only take a sec."

Rami opens his trailer door and gestures for the older Dom to enter and make himself comfortable.

They both take a seat on the small sofa inside, and Rami feels a little nervous, not quite sure what this is all about.

"I heard about your little outburst on set the other day," Andrew says quietly.

Shit.

"And I just wanted to say thank you."

Rami raises an eyebrow. "Oh?"

Andrew nods. "For standing up for my mum. I know Brian wasn't around, so I'm really grateful that you stepped in. And if you need any help... er, in a legal sense, just give me a call."

Rami smiles. "Thanks. I will."

Andrew smiles back, and there's another expression on his face that Rami can't quite decipher.

Andrew clears his throat. "Well I'll leave you to get out of costume and make up."

I wrote an ask about BoRhap. I meant that in SOMOTF we have seen only several scenes of that movie and in later asks you wrote that there will be children, Andy on Ridge farm and so on. And I'm interested what other scenes are there, especially in the 80s part because it will definitely be different from the movie in our world.

Thanks for clarifying and really good question!

The movie is definitely very different from BoRhaph in our universe as there's a greater emphasis on the boys' romantic relationships with each other, and how they had to work to deal with the inequalities the subs faced (with the claiming etc). As you say, baby Andy is shown at Ridge Farm with them and the other kids all make appearances. The film shows how the band struggled a bit in the 80s when Freddie becomes more obsessed with using Queen as a vehicle to fight for sub rights whatever the costs, whereas the others want to focus more on their families and raising their children.

How would Andy react to Craig's treatment of John in SOMOTF when he asked for a closed set for such a personal scene?

Basically, Andy is fucking livid. When Brian finds out what happened, he ends up calling Andy to get his advice on what they might need to do if Craig presses charges against Rami, and asks whether Andy would be able to defend Rami on the grounds that he was protecting a sub. Andy is horrified to hear about how John was treated on set, and he offers to support

Brian with taking any legal action that may be required to get Craig fired.

Andy also visits his mother the next day to check John is ok and to give him a cuddle and reassure him that there will always be Doms looking out for him.

Steamy sub time between Roger, John, Ben, and Joe with the two older sub using all of the tricks they've learned over the decades on the younger men and also coaching Joe and Ben how to pleasure each other?

“Okay,” Roger says with a grin as he grinds down on John, rubbing their cocks together. “So that’s a pretty easy and straightforward thing for you to do, and it feels amazing for both of you.”

He looks over at Ben and Joe, who have been mirroring his and John’s movements and position. Ben is watching the older subs as he grinds down on Joe with Joe’s legs hitched up on his hips.

“That’s it,” Roger says encouragingly. “Ooh, but I’ve just had a thought! There’s something else that’s worth a try for you two I think.”

Roger reaches for the lube, before easing John onto his side and placing a pillow under his hip. He waits for Ben to get Joe into a similar position before smiling at them.

“Okay, lads. So if Rami and Gwil are anything like Brian, they probably won’t want you fucking each other unless they’re present or it’s a special occasion. Sometimes when Deaky and I are in the mood for penetration during sub time, we’ll use toys, but sometimes it’s nice to be a bit more intimate. This is a really nice way of simulating fucking without actually doing it.”

Roger pours some lube onto his hands before encouraging John to part his legs so he can smear the lube on his inner thighs. He also rubs some over this cock before tossing the tube to Ben.

“Now Ben, you’ll want to get nice and close behind Joe and lie on your side, and then just slip your cock between his thighs like so.”

Roger demonstrates on John, and waits for Ben to mimic him.

“Good. Then get Joe to squeeze his thighs around your cock like John is doing with me. All you need to do is thrust between his legs and it will feel just like you’re fucking him.”

“That sounds great,” Ben says as he copies Roger. “But what about Joe? I mean, this sounds like it’s geared more towards my pleasure and I’d want us both to enjoy it.”

John gives the younger subs a soft smile. “It does feel good, I promise. You can try thrusting at different angles and Joe can tell you what he likes. Rog always gets a nice angle with me where his cock drags against my balls and it’s amazing.”

Roger nods. “Plus you can always give Joe an extra hand, Ben.” He waggles the fingers of one hand for emphasis before wrapping it around John’s cock as he starts to thrust.

Ben wraps his own hand around Joe’s cock. “How’s that, mate?”

“Really good,” Joe sighs happily. “This is really nice. Can you try and rub your dick against

my balls like John was talking about? Oh yeah *fuck-*“

The room is soon filled with the sounds of sighing and moaning and sliding flesh as the subs lose themselves in their pleasure.

Brian actually feels a bit ashamed when he thinks about how lovely Joe is. He has two beautiful subs and he knows they'd feel really self conscious if they knew he'd been thinking about how gorgeous a much younger sub is.

Ben is certainly beautiful, but Brian thinks Joe is particularly lovely because he has the same sense of humour as Roger and he also looks a little bit like John from a certain angle. Plus Brian gets a certain thrill when he can tell that Joe is trying not to fall to his knees in front of him. Is it customary for doms to kiss the knuckles of subs they are introduced to / meet up with or is that just something our ibtyf/somotf characters do out of habit? Also I like the idea that if it is a societal norm to do that, that it wasn't always like that back in the day and sort of grew over time as a sign of respect doms show for subs. As if the gesture says: you are valuable and worthy of respect regardless of who I am in your life

It's not expected- not every Dom will do it but it is a recognised sign of respect, particularly for older subs. The gesture means exactly as you say above. So that's why Brian is very pleased when he sees Rami kissing Rog and John's knuckles (it's also something that Brian routinely does for the subs each night before dinner and usually when they go to bed).

SOMOTF, I'm still in love with the bits you've recently written about Joe's pregnancy and their kid, so much I had to reread the original fic and the ficlets you've posted here! I'd love to see more of Joe and Rami bonding with their newborn!

"Where's mommy?" Rami chuckles, holding the baby up as Joe removes his hands from his face. "There he is!"

The baby gurgles, his eyes wide as Rami passes him to Joe.

"Somebody needs a bath," Joe says playfully, tickling his son's tummy. "Time for you to get squeaky clean, honey."

"We can use the rubber duckies from Uncle Gwil and Uncle Ben." Rami kisses a tiny nose.

"You love the rubber duckies, don't you?"

The baby gurgles again.

"I love this little lump of cuteness," Joe says happily, kissing his son's head. "I want another one."

Rami smiles at him warmly. "Yeah?"

Joe bites his lip sheepishly. "Yeah."

Rami looks down at the soft stuffed monkey he's holding in one hand, smiling to himself.

"Well okay then."

Let's say Ben's mom has passed away or is not in contact with Ben anymore. How about sub time with Roger and he's all sleepy and relaxed and calls him Mum?

"Are you alright?" Roger chuckles, pulling Ben a little closer.

Ben hums happily. "Yeah. I'm just so tired. Today was utterly exhausting. A cuddle is exactly what I need."

Roger laughs and kisses the younger sub's head. "Well cuddles are my speciality. You know

you can always come to me for a cuddle.”

“Thanks, mum.”

Ben freezes the instant those words leave his mouth. He tries to think of a way he can fix this, a way he can retract what he’s just said. He feels like he’s five years old.

“It’s alright, Ben,” Roger says gently, clearly sensing the younger sub’s discomfort. “I’ve been called worse things.”

Ben blushes. “Sorry...I think it’s just because you give really nice cuddles, you know? And I haven’t had a mother figure in a while.”

“I understand.” Roger kisses Ben’s head again. “And I’m really happy you see me like that. I do think of you as another son, you know.”

Ben beams at that, and buries his face in Roger’s shoulder.

He decides not to tell Joe about this though, otherwise he’ll never hear the end of it.

“Ben,” Gwil says warningly. “Remember not to come until you’re given permission. You’re doing so well, gorgeous.”

Ben bites his lip and nods, squeezing his thighs tighter around Gwil’s hips, and grabbing the base of his cock. His orgasm is threatening to spill out at any moment, but he wants to please his new Dom.

“Well done,” Gwil praises. “What a good boy you are. I’m almost there, god, I’m nearly there, I’m gonna come inside you, okay...get ready...now-“

Ben lets his orgasm wash over him just as Gwil comes. He laughs as his whole body goes limp, the pleasure rippling through him.

Ben and Joe sub time?

Ben and Joe love taking naps together. During filming, they’ll sneak off to one of their trailers and cuddle up under a blanket for a quick snooze. After BoRhap is finished and they’re living on different continents again, their sub time becomes a lot more precious. Rami and Gwil

make sure their subs get to spend some alone time together- sometimes Joe and Ben like to go out on day trips together or sometimes they'll just cuddle up in bed and watch funny videos together (with the occasional handjob or blowjob thrown in if they particularly need to de-stress...)

Hi I love you and your worlds and your writing style v v much. It's such a gift!! Anyways, I was wondering, if Andy was born in 1975 does that mean he (and all the kids for that matter) would be in borhap? Or would they just kind of reference the kids offhandedly? Do rami and Gwil have to hold it together while watching joe and Ben get fake baby bumps, etc?

Thank you so much!

Andy and the other kids do appear in BoRhap. The film in the IBTYF/SOMOTF universe focuses more on the band's family lives than BoRhap in our universe, because obviously the band are two couples in IBTYF and their relationships are an important part of their story. And yes, Rami and Gwil love seeing Ben and Joe with fake bumps when they have to play pregnant Roger and John.

In the IBTYF verse, can doms do whatever they wish to their claimed subs? Or are there still laws against abuse/domestic violence? Do resources for abused subs (such as shelters or legal aid) exist in the time of IBTYF or the DV? (I know Andy becomes a submissive-rights lawyer so that at least exists by the time of SOMOTF...)

There are laws against abuse/domestic violence- deliberately harming a sub without their consent is illegal. In theory everything that happens between a Dom and sub should be agreed by both parties- in practice that's not always the case and at the time of IBTYF/IBTYF dark verse, subs are objectified to such an extent and have so few rights that it's the Dom's word that nearly always carries the weight. Shelters and legal aid don't exist at this point- although there are a few kind-hearted individuals who try to support subs in need when they see them. Things are better are the time of SOMOTF when any kind of abuse or discrimination against

subs is a lot more unacceptable than it was in the 70s/80s. It's something Andrew is very passionate about because of his own parents' fight for submissive rights.

For SOMOTF, I know you wrote sub rights have come far but still have some barriers, especially for movies; I don't know if an ask like this was already

It'd be a landmark victory, and some scandal because he beat out all the other alpha nominees, and I can imagine how proud Rami would be, and their son just happy to see mom happy :')

Subs getting nominated for awards like the Oscars is incredibly rare, let alone winning. It would be such a proud moment for Joe and the whole Queen/BoRhaph family would be super proud

So I was re-reading SOMOTF for the millionth time and the parts where Rami and John and Roger had little moments of chemistry stuck out to me. What if, as a reward for something, Brian lets his Subs have a night with the young Dom (Rami enthusiastically agrees of course)?

Rami smiles warmly at the two subs who stand naked before him, blushing furiously but looking incredibly excited.

“Come here, both of you,” Rami commands gently, opening his arms and encouraging the older men to step forward. He wraps an arm around each of their waists, pulling them close and inhaling their scents. “Two of the great beauties of the music industry, here in my arms. How lucky I am.”

Roger chuckles, kissing Rami’s jaw. “Once maybe. We’re just a couple of old men now.”

“You’re still lovely,” Rami says firmly, groping the subs’ bottoms gently. “Exquisite.” He cups John’s face with one hand. “Beautiful.”

John lets out a breathy sigh. “What would you have us do, sir?”

“This is your night,” Rami chuckles. “Your reward. What would you like?”

The subs’ eyes meet, and they giggle.

“Well,” Roger grins, “I’d love a handsome young Dom to screw me silly.”

“Me too,” John giggles.

Rami chuckles. “On the bed then, both of you. On all fours next to each other, asses in the air.”

The Dom smiles as he watches the older men clamber into position, his eyes fixing on their gorgeous rears.

Everything hurts and he’s covered in sweat and god knows how many other bodily fluids, but Joe just wants to get up to see where they’re taking his baby. “It’s okay, baby,” Rami says softly. “They’re just cleaning him up.” When the baby is brought back over, Joe is hesitant to take his son. He can feel his eyes watering. “He’s so little. I don’t want to hurt him.” “You won’t hurt him,” John says reassuringly. “George was a tiny baby too, but tiny babies are stronger than you think.” The older sub gently reaches out to take the baby, before settling the little one in Joe’s lap as carefully as possible. “Just support his head,” John says encouragingly, guiding one of Joe’s hands into place, “and then you can use your other arm to give him a little cuddle.” Joe still can’t quite believe that he’s finally holding his son in his arms. He looks up at Rami, who’s smiling down at him proudly, and he’s suddenly overwhelmed by joy. He has a baby.

Brian raises a questioning eyebrow.

Rami sighs. "I'm just so...anxious. I know it's stupid. I'm excited to be a dad, but as we get closer to Joe's due date I can't help but worry. He had a tough first few months- he had such terrible morning sickness. And I know Joe's a little older than most first time moms- I'm just worried about how difficult this is gonna be for him."

"It's not stupid at all," Brian says gently. "Your anxiety shows that you're ready to be a father. I felt the same way when Rog fell pregnant for the first time, and Freddie felt the same way with John. It's normal to be nervous. Joe is going to be fine, Rami. So is your baby. You just need to focus all your energy on being there for your sub."

SOMOTF: in our world Rami is not a stereotype man: he's very soft, sentimental, kind, cuddly and so on. I think, in that verse he would be not a typical Dom. What do people think of him there, for example in media and so on? How would they see him? For example, think he is a sub when seeing him on screen and so on

Rami is not afraid to be himself, regardless of what society expects of him. Prior to BoRhap, he's often assumed to be a sub when he first walks into auditions, but his success with BoRhap gives him the power to be able to be himself and not have to fit certain stereotypes.

Hey, another weirdly specific question here! In the IBTYF/SOMOTF verse, would it be considered acceptable for Subs to yell/curse at and not call their Doms master during childbirth due to pain/annoyance? Like if Roger told Brian to buck up after he yelled like a girl over his hand being squeezed too hard, would Roger be punished for that?

Standards of behaviour and what warrants a punishment is generally down to a Dom and sub to discuss and agree together, but for most couples there will be situations where they'll agree the usual rules don't apply. Childbirth would be considered a situation where subs can get away with yelling at their Doms because they're in such pain.

(SOMOTF) What if Joe were to ask John and/or Roger to be there when he gives birth?

Joe does remain very close with John after BoRhap finishes. He'd initially planned to have Rami and his mother in the delivery room with him, but he ends up going into labour early while he and Rami are in London. Joe begs Rami to call John and ask if he can come and be with Joe, because Joe really wants another sub in the delivery room with him. John of course agrees, and he's a very soothing presence when Joe and Rami are both panicking about their premature baby. He keeps them both calm and holds Joe's hand when he gives birth. The baby is born very small but perfectly healthy, and they have to stay in hospital for a while, but Joe is so glad that John was with him.

I'm obsessed with all your verses! I know SOMOTF is done, PDOM is ending, and IBTYF is being expanded, but if you have any extra bits from SOMOTF about Joe/Rami, especially if they have kids, I'd love to see it! I personally like imagining everyone obsessing over Joe being pregnant, especially John, with Rami always nearby.

“Wow,” Joe says as Rami helps him out of the car. “Look at this place.” Joe had been expecting a nice, large house, but this is even more breathtaking than what he’d imagined. He blinks up at it in awe.

“They’re rockstars,” Rami reminds him gently. “Have you got the pie?” Joe waves the tin foil plate at him. “I can’t believe we’re about to have dinner at the May household. God, I’m almost having an orgasm just thinking about it.”

“Try and control yourself,” Rami chuckles as he guides his sub to the front door. Brian is waiting for them in the hallway with Roger and John stood slightly behind him, their heads bowed respectfully.

“It’s so good to see you,” Brian says happily, shaking Rami’s hand and giving him a hug before turning to Joe. “Joseph, you’re glowing. Look at you. There’s nothing more beautiful than a pregnant sub, in my opinion.”

Joe feels himself turn into a puddle of goo at Brian’s praise as per usual, and when the Dom leans down to hug him he has the sudden urge to drop to his knees and let Brian leash him. They wander over to Roger to give him a hug, and Joe smiles when Rami kisses the sub’s hand.

“You look really well,” Rami says softly.

“I’ve gone semi-vegetarian,” Roger announces proudly. “Four days a week. Thanks to this one.” He nods at Brian and they all laugh.

They turn to John next, and Joe grins at the blush on the older man’s face when Rami presses a kiss to his knuckles.

“As beautiful as ever,” Rami praises softly, and Joe can tell that John melts a little at that. Roger and John both giggle when they meet each other’s eyes; clearly the attention of a young handsome Dom is having the same effect on them as Brian’s praise is having on Joe.

“Behave yourselves,” Brian says playfully but firmly, and the older subs immediately compose themselves.

“Rami, my queens are desperate to coo over your expecting sub. Would you like to join me for a drink so we can give them some space?”

It’s actually been a while since Joe has spent any alone time with another sub, let alone two, so it’s nice to be ushered to the living room and to have John and Roger fuss over him.

“He’s carrying low,” Roger says with a grin as he strokes Joe’s bump. “That means it’s a boy.”

“Rubbish,” John laughs. “I carried high for all my pregnancies and I only had boys.”

“I don’t really mind what it is,” Joe grins, “I just want it out of me. I’m so uncomfortable all the time now.”

John squeezes his hand gently, and Joe is suddenly very sad that they’re only staying a few days. He’s missed John terribly; the older sub is like another mother to him, and he could really do with John’s calming presence during the final weeks of his pregnancy.

“Be honest with me though,” Joe says nervously. “It’s gonna hurt like a bitch right?”

Roger laughs. “It’s so painful. You won’t be able to take it.”

“Roger,” John says warningly. “Of course it’s going to hurt, Joe, but it’s really nothing to worry yourself too much about. Honestly, Roger is the worst with pain- he cries when he gets a papercut- and he managed to give birth to *four* children. If he can do it, so can you.”

“It’s the Doms who have more of a problem with pain,” Roger says knowingly. “Brian screamed like a girl just because I squeezed his hand a little tightly in the delivery room.”

“And Freddie passed out when I was giving birth to Andrew because it was *too hot*,” John adds, looking unimpressed. “I was all on my own for twenty minutes while the doctor tried to revive him.”

The subs burst out laughing, and Joe strokes his bump as he feels the baby shift inside him.

“I’m sure you won’t have any problems with Rami though,” John says confidently.

“You two just think my Dom is dreamy,” Joe teases, and they all giggle again.

“I love my Brian,” Roger laughs, “but it’s nice having a strong young Dom in the house for a little bit. I’m sure he doesn’t look twice at me and John when he’s got you though, Joe.”

“You can borrow Rami if you let me borrow Brian,” Joe says with a wink, and they all shriek with laughter; Joe thinks that Rami and Brian must be wondering what an earth’s going on in this room.

“John would *love* that,” Roger teases. “Rami is all he could talk about during filming. *Rami is so talented, Rami is so handsome, Rami is so respectful, ooh Rami please fuck me with your big cock-*”

“I didn’t say that,” John says, blushing furiously and clearly embarrassed.

Joe is about to say something in response, but then the baby is kicking and he excitedly grabs the older sub’s hands and places them on his bump.

Roger and John smile at him as they rub gently, and Joe wishes now more than ever that they could stay in London a little while longer.

“I’ve changed my mind about tomorrow, by the way,” John says quietly, not looking up from his book. “I’ve decided I’m not going.”

“I don’t want to do it,” John confirms.

Brian glances at his other side, where Roger is tucked up beneath the covers and snoring softly.

“Why not?” Brian asks, putting his own book aside.

John sighs and snaps his book shut. “Do I really have to explain everything to you, Bri? Shouldn’t me saying that I don’t want to go be good enough for you?”

Brian frowns as John takes off his reading glasses and sinks back against the pillows with a sigh. The sub rubs his face tiredly before meeting Brian’s eyes.

“I’m sorry,” John says, his voice softer. “That was uncalled for. Sorry, sir.”

Brian smiles at the use of the title, and pulls John into a hug. “It’s alright, John. I know you

"You know," Brian says as he kisses John's neck, "in the script, you and Roger are referred to as *two of the greatest beauties in the music industry*. I made them put that line in there."

"You didn't," John laughs.

"I did. That's what people used to say about you. That's what I *still* say about you."

"You sap," John sighs as their kiss becomes more heated.

Brian grins as he gropes John's bottom and grinds his erection gently against the younger man's thigh.

"Careful," John whispers breathlessly. "If we wake Rog up, he'll want to join in."

"That's not usually something that would bother me," Brian whispers back, "but Rog does love attention and I'd like to give a little more to you right now."

So in the IBTYF/SOMOTF universe, the equivalent of a wedding is a claiming ceremony. This can be as simple as going to a registry office to take care of the legal paperwork (which is what happens in IBTYF, although we don't see it, as the boys needed to get it done quickly), or a big huge party. Rami and Joe go down the big huge party route. They get married in New York, and of course Queen and Gwil and Ben are invited. “Yeah,” John gasps breathlessly, steadying himself on the Dom’s shoulders as he works himself slowly up and down on Rami’s cock.

“Yeah?” Rami grins. “You like that? You like my cock? Does Brian give it to you like this, John?”

The sub moans in response, bouncing a little more vigorously.

“I know Brian takes good care of you.” Rami squeezes the generous swell of John’s ass. “I know he keeps you satisfied. I only hope I can keep up with him.”

Rami gives John’s leash a tug, pulling the sub towards him so that their lips meet in a kiss. He tugs the other leash in his hand too- the one connected to Joe’s collar.

The younger sub crawls to the pair, wrapping his arms around John. John returns Joe’s smile, and the two subs share a kiss as John continues to ride Rami.

Rami feels his heart pound in response to the sight, and he knows he’s the luckiest Dom in the world.

Rami and Joe have pretty good communication skills as a couple. They're both a lot more experienced than Freddie and John were in the relationship department and they've both grown up in a time where it's acceptable for subs to be more vocal and challenge their Doms.

But the good news is I do have plans to write more fics in this universe. At the moment I have three more fics planned in the IBTYF universe as follows:

- Part 3- the 'Dark Verse' fic. An AU of I Belong To You Forever where Ray Foster 'wins', i.e. discovers that Brian and Freddie only claimed the subs to save them from the submissive clause of the Queen contract. It will follow Roger and John as they fall into Ray's hands after their Doms are sent to prison.
- Part 4- set in the original IBTYF timeline just after the events of IBTYF, and will focus on the two couples as they have children and raise families while trying to juggle Queen commitments
- Part 5- again set in the original IBTYF timeline, before SOMOTF and just after Freddie's death. Will focus on John being taken in by Brian and his life with the May family.

And of course I'll continue to respond to asks about this verse on this blog!

SOMOTF Update

Hey everyone, hope you're having a good weekend so far! Thanks for all the kind messages- I'm a little calmer after all my stressing, although I'm always an anxious soul ?

I'm hoping the penultimate chapter of SOMOTF will be up tomorrow (Sunday)- I'm just working on finishing it now. If I can't quite get it done in time though I'll update you tomorrow.

SOMOTF verse: Gwil and Ben stay the night and in the morning, Gwil and

Rami wake up to their two subs going at it like rabbits, just all over each other.

Rami slowly blinks his eyes open, yawning as he vaguely registers movement to his right. He stretches a little, grinning when he notices Ben and Joe in an intimate embrace, moaning as they kiss gently.

“Morning,” Rami chuckles, leaning over to kiss his sub’s cheek. “Having fun already?”

“Mm,” Joe sighs, his eyes fluttering as Ben mouths at his neck.

Gwil is already awake and is lying on the other side of the two subs, propped up on an elbow as he watches them hungrily.

“Morning, Rami.” Gwil licks his lips as he hands Ben a condom and a bottle of lube. “You’re just in time for the show.”

Ben grins at Rami as he holds Joe close. “May I fuck your sub, sir?”

“You may,” Rami chuckles, making himself a little more comfortable. “I think I’m going to enjoy this.”

Somotf: can you write about Ben and rog taking a bubble bath together? I live for bubble baths ?

Rog and Ben get into the habit of taking bubble baths together after Roger casually mentions he does it with John quite a lot, and suggests it as a way to help Ben relax a little. Ben really does find it relaxing- the warm water is really good for his aching muscles, and he loves being able to spend some time alone together just talking. It’s nice to be able to talk so openly with Roger about Gwil too, and Ben soon realises that there are a lot of parallels between Brian and Roger’s relationship and his own...

Is Adam a dom or a sub in the ibtyf/somotf verse? How does his status affect his relationship with maylor on tour?

A Dom. Adam doesn't treat people any differently because of their status and he certainly doesn't expect Roger to kneel before him or anything like that. The press have a bit of a field day about how inappropriate it is for a sub to tour with two Doms, but Rog and Bri insist that Adam is the only one who can take on the role.

The latest chapter was wonderful and obviously hot, but Brian slamming Craig up against that wall was next level Dom perfection. Plus the little disapproving look he gave Roger and John...just, yes. I wouldn't be opposed to a Brian+subs scene in this 'verse. I love the air of authority he seems to carry and it came across especially in this chapter.

Thank you so much! Brian is the Daddy of all Doms. I've got a whole fic planned for this verse which will focus on Brian's relationship with Roger and John after Freddie's death. They're a sweet little trio and Bri takes good care of his subs.

SOMOTF Update

Hope everyone is having an amazing weekend ? I was hoping for a nice relaxing weekend but it's turned out to be a little more draining than I was anticipating (damn you, social anxiety!)

Just wanted to update you on the next chapter of SOMOTF- I've *almost* finished it, which means there's a chance it could be up tomorrow (Sunday), or if I can't quite finish it on time it'll be Monday.

Well now ya just made me do it. SOMOTF verse where Rami wants to ~thank~ John for helping him and Joe and reward Joe and invites John to join them? And John is flattered because he can hardly believe the handsome young dom still wants him so he's quite determined to be very good for them. Joe just thinks it's amazingly hot.

“For real?” Joe asks, his breath catching in his throat a little. “Are you kidding me? Is this actually happening?”

John is sitting on their hotel bed, smiling shyly at them.

“It's for real,” Rami laughs, kissing Joe's cheek. “A reward for you, baby, to celebrate the end of filming. And a reward for John, for all the support he has given us.”

“Brian agreed to this?”

“Brian thought it was a great idea. I didn't need to convince him to give me permission at all to invite John into my bed.”

Joe excitedly bounds over to John, taking a seat next to him and pulling him into a hug. “Hi!”

“Hello,” John chuckles, kissing Joe’s cheek. “I hope you don’t mind me intruding.”
“You could never intrude,” Joe says happily. “It’s so great that you’re here.” He turns to Rami eagerly. “What should we do first, Master?”
Rami smiles warmly at the two subs. “Why don’t the two of you start by getting undressed and having a little fun on your own? Warm each other up a bit? And I’ll just sit here and watch.”
The Dom pulls an armchair up to the side of the bed and makes himself comfortable, grinning as Joe and John start to make out. He unbuckles his jeans but doesn’t undress himself fully, taking hold of his cock as the subs start to strip.
“You’re lovely, John,” Rami praises when the older sub is eventually naked. “It’s easy to see why you were once described as one of the great beauties of the music industry.”
John blushes. “Thank you, sir.” He looks down at himself shyly. “I did wonder whether you might change your mind after seeing me without clothes.”
Rami moves his hand to show John his erection. “This is what you’re doing to me already, John. Don’t ever worry about how desirable you are. You can easily make a young Dom hard.”
Joe kisses the older sub gently. “You’re so beautiful.”
Rami is so turned on watching the two of them together that arousal fogs his brain and his Dominant side takes over.
“Suck each other’s cocks,” Rami orders, smiling when the subs shiver in response.
Watching Joe and John scramble into a 69 position has to be one of the hottest things he’s ever seen. He strokes himself as the subs gently suck each other, and he can’t help but chuckle at Joe’s eagerness and enthusiasm. John works Joe’s cock with practised skill, and for a moment Rami half considers ordering John to suck his own cock.
Instead, he throws a bottle of lube onto the bed.
“Finger each other,” he says softly. “Get each other ready for my dick.”
When the subs pull off each other and sit up, Rami cups Joe’s face and kisses him. “So proud of you, baby. Taking such good care of John.”
Rami then turns to John, and brushes their lips together. “You’re doing so well, John. I’m gonna tell Brian how wonderful you’ve been tonight. But first, I’m gonna fuck you so good that you’re gonna be completely boneless. How does that sound?”
John smiles. “That sounds amazing.”

Ibtyf/somotf: since bri loves taking pictures I'd feel like rog would definitely be his muse. There'd even be naked photos of him just for the two of them to see. All in various ages (bri has loved photography for ages after all) and I think rog would actually be super proud of them since bri never made him feel self conscious and would show them to Ben when the borhap cast visits house of maylor

Love it! Bri builds up quite a collection of naked photos of Rog over the years. They're not even dirty photos- just intimate photos of Roger looking relaxed and happy and loved. So Ben actually thinks they're really sweet when Roger shows them to him, and he thinks it's so lovely that there a photos of Roger right from his early twenties until the present day (although he does accidentally come across *one* dirty photo of a young Roger and John in a very intimate position...)

Maybe it's just me but I can feel a "certain" tension between Rami and John in SOMOTF

To some extent there is a little sexual tension between Rami and John before Rami confesses his feelings for Joe. John can't help but notice the uncanny similarities between Rami and Freddie, and Rami (like most Doms) thinks John is very beautiful.

But Joe is definitely the one Rami is interested in, and although Rami has certainly thought about John in a romantic light, it's never been too serious and his protectiveness of John mainly stems from the close friendship he's built with the sub.

Please have Brian kick Criag's ass I actually YELLED to my laptop screen reading last chapter I was furious!!!!!!! Can't wait to see protective Dom!Brian in action!!!!

We'll definitely see protective Dom!Brian in the next chapter! He will deal with Craig a bit differently to Rami- no less protective or effective, but a little less physically aggressive. Brian is a more experienced Dom than Rami who has dealt with people like this all his life, so he's a bit more comfortable at using other means to protect his subs- a bit more calm and collected, but probably more terrifying to Craig because he's got a bit more power than Rami.

Also, a bit random but I totally hc that Brian's affectionate nicknames for Roger and John at this point are "my oldest Queen" and "my youngest Queen" respectively (which Roger hates).

Thinking about after SOMOTF where after filming, Joe and Ben decide to spend sub time taking a bath together. They get the idea from Rog & John and think it sounds like a perfect way to spend time together and relax after a long day of filming.

Roger casually mentions it to Ben one day when Ben is asking questions to help him get into character, and Ben thinks it sounds like a really nice idea. When he suggests it to Joe, the older sub immediately agrees that it sounds great. You said Doms don't really have a need for physical affection, at least not in the same way Subs do. The Bo Rhap boys are pretty comfortable with each other though, so maybe Rami and Gwil have "Dom time" where they can kick back on the sofa with their arms around each other and not have to worry about being strong enough for anyone else

I think Rami and Gwil would have a bit of Dom time together, although it's still kind of a stigmatised thing for Doms to seek out affection from each other and share their feelings with each other in the way that subs do. But Rami and Gwil are close enough that they can hang out and have a cuddle and talk about how heartbreakingly in love they are with the gorgeous subs on set.

WHATS THE STORY WITH ROGER AND JOHN AND THE VIBRATORS IN CH 3

I was waiting for someone to ask ?

Basically, just after IBTYF, Fred and Bri have to go away for a couple of weeks, so they buy their subs vibrators to play with while they're away. Roger and John have fucked in front of them before, but the Doms prefer their subs not to have penetrative sex when they're not around. But they want their subs to still have fun together and they think the vibrators will be a good way to keep them satisfied. So Rog and John have a fun couple of weeks in the flat on their own, cuddling and kissing and watching each other fuck themselves with their new toys.

Maybe since Brian has always been honest about the depression he especially suffered after Freddie died, maybe in the IBTYF/SOMOTF!au he did the same thing and was shocked at the backlash he got considering he was pretty certain society had lightened up on dom/sub traditions by then. I feel like he'd take a stance on dom mental health and that it's okay to not be strong and powerful all the time. Maybe he also shares how his own sub rog would help him thru that time as much as he helped R&J

100% agree! Brian is a big advocate for Dom mental health. Doms are still stigmatised for talking about their feelings- they're expected to be strong all the time and care for themselves AND their subs, which can be very emotionally draining. When Freddie dies, a lot of responsibility suddenly falls on Brian in addition to him having to deal with the loss of his friend. A few years down the line he very openly talks about his depression and how hard it was for him, but the brilliant support he had from Roger (and John), who reassured him that it's ok not to be in control all the time. He wants all Doms to be able to feel like they can talk about their feelings, because that's the main thing that helped him, and having people who are so understanding to support him.

Interesting idea ;) Without giving away too many spoilers, there is a Rami/John moment in this week's chapter (I wouldn't really call it a love triangle but Joe is there and is definitely a little jealous).

I think this is really interesting though! Rami would definitely be so happy to have two subs who are so incredibly lovely. Joe has a really special bond with John so he'd be really happy to have the older sub as part of their relationship. And John would be a bit self conscious, wondering why on Earth this gorgeous young couple would want him, but of course Rami and Joe would do everything they can to show the older sub how much he's loved.

They only want him bc they can say their sub played one of the most beautiful and famous subs ever. istg if old ray foster comes out his hole to harass Joe, Roger might just commit murder

I can confirm that Joe's nominated Dom is his dad at the time of SOMOTF (his dad is still alive at this point). He's incredibly close to his dad, who's always encouraged Joe to follow his dreams and be an actor.

When Joe's dad passes away, he's absolutely devastated. He does start getting a lot of direct offers from Doms (which his dad had previously shielded him from). Eventually Joe's brother offers to step in as his nominated Dom for the time being.

deakysgurl asked:

Would you be prepared to write something about how Freddie passed in the IBTYF/SOMTF universe? What happened to him, was it sudden or drawn out and how it immediately affected John?

WARNING: mentions of terminal illness, death, angst

So it's briefly mentioned that Freddie dies of cancer in SOMOTF. It is fairly drawn out- he's diagnosed nearly two years before he passes, and tries a number of treatments. John is absolutely devastated, but he admires the brave face his Dom puts on for their children. As Freddie becomes more ill, John has to support the children more as well as care for his Dom. He tries to prepare himself emotionally for what he knows is coming, but when it happens he's still completely heartbroken.

If John didn't have Roger and Brian, he doesn't know what he'd do. He's so grateful to have the support- when he moves in with them he's such an emotional wreck that he desperately needs the help with looking after the kids. At first John keeps his distance from Brian and Roger, but soon he starts to seek out their comfort- particularly from Roger, who's always been good at calming him down with some quality sub time.

Would you ever think about doing a snippet between Freddie's death and the filming of borhap for somotf and ibtyf? Like John getting use to living with maylor, punishments and rewards for the subs, communication?

I would like to do it as a proper fic. I'm planning on doing the dark verse as Part 3 of the IBTYF series, and I'd quite like Part 4 to be a fic set between Freddie's death and SOMOTF. Part 5 I'm considering setting between IBTYF and Freddie's death (so focussing more on Deacury and Maylor starting their families just as Queen is really taking off). As you can see, I'm not really dealing with this in chronological order.

Parts 4 and 5 are likely to be a little way off yet, as my next fic after SOMOTF will be TTIKIFR 2, and then I'm planning on doing either IBTYF dark verse or the arranged marriage fic.

In the meantime, I'll try to keep posting some deleted scenes on this blog!

After thid chapter im totally craving a bit of Joe x Brian. Actually, Joe x Bri/Rog/John, like, they are all amazed by this beautiful, unclaimed young submissive... ?

Although there's not gonna be any explicit Queen/BoRhaph crossover relationships in this fic, I can confirm that Bri was totally checking Joe out in this chapter (and Ben ofc). And we know Joe has a bit of a crush on Bri.

I was wondering if Freddie and Brian had their own Dom bonding time sometimes? Is it a thing among Doms? Also did they have their own private conversation regarding everything before Freddie passed away? It breaks my heart just to think about it because in every sense Freddie is Brian's friend, family, partner and in a way lover as well. QQQQQQQQ And he has to be extra strong now to protect and carry on everything ahhhh

While Doms certainly like to spend quality time together, bonding isn't quite as important between Doms as it is between subs. Because it can often be quite emotionally draining (and physically exhausting in some cases) for a sub to be around Doms, it's really important for them to recharge their energy by having some downtime with other subs.

But Freddie and Brian are very close in the IBTYF universe, and they do tend to spend a lot of time alone together simply because Rog and John have a fair bit of sub time together.

And yes, they did have a private conversation before Freddie passed away. Freddie basically made Brian swear that he would take care of John- in particular by protecting him from other Doms who might want to claim him when he's in a very emotionally vulnerable state. So it is really hard on Brian when he loses Fred- he always saw Freddie as someone he could go to advice for about Dom "things". Things he wouldn't be able to talk to Roger about. And now he has two subs to care for all on his own...

Yeah, definitely don't feel sorry for Craig. If you think he's being an ass now... But he will definitely be dealt with swiftly by some very angry Doms.

Hi hello first of all you're wonderful we love you a lot and second I have a question? Sorry if it's already explained before but could you explain or elaborate on the whole "legally under the care of" thing? So it can happen when a Dom wills the Sub to another Dom yeah? But it's different from being claimed? I'm really interested in all the details :D

Aw thank you so much!! No don't worry, happy to explain and it's great people are taking an interest in these details!

So yes, being claimed by a Dom and being legally under the care of a Dom are two slightly different things. Claiming is almost exclusively linked to romantic partnerships, much like marriage. However, in this universe all subs need to have a nominated Dom who they can rely on who will help them navigate certain aspects of society. For example, at the time of IBTYF, subs can't even legally be paid wages- they have to have a nominated Dom who can look after their money for them. Things aren't quite as bad at the time of SOMOTF, but there are still certain things that subs would require a Dom's help or permission to do.

For most subs, their nominated Dom will simply be the Dom who has claimed them. For unclaimed subs however, it will usually be a relative or close friend (for children and young adults, for example, it's normally a Dom parent). If the sub is an adult and their nominated Dom is a friend, that Dom might also support the sub with dealing with their submissive urges (which Brian does with John).

So when Freddie dies, John isn't claimed by Brian- Brian's claimed sub is still Roger. Freddie made Brian promise to take John under his care though and be his legally nominated Dom because Fred felt like Bri was the only Dom they could really trust. He was worried that there might be some problem with John receiving his share of royalties to support their children, and having Brian there just makes things easier to deal with.

Hope that sort of makes it clearer?

Hehe those boys are falling for each other ? Glad you picked up on pining Rami. Joe certainly finds Rami attractive at this point but hasn't quite labelled his feelings yet.

Yes, there will definitely be some Ben/Joe sub bonding in the next chapter, as we're coming up to the point where they need to film the nude scenes and will rely on each other heavily for support. And yes, the Gwil/Ben relationship will become a bit more explicit later on, although it will be more in the background.

And the poly stuff...well ?

I just wanna write the ending now because I'm so excited for how it will end, but there's so much that will happen between now and then!

The antagonist will be an original character. I did consider casting a certain real life person as the villain, but decided against it. The villain will be **very** loosely based on that person though.

Would there ever be a reason for a dom to need aftercare (reference to ibtyf/somotf!AU)

Good question, and yes (although it's not common). Sometimes play can be so intense that a Dom might need aftercare- particularly if the Dom is doing something that they're a little less comfortable with but their sub has requested it. Brian needs aftercare one time when Roger asks him to choke him, and although it's very safe and Rog loves it, Bri needs some time to calm down afterwards, and Roger is really good at taking care of him.

You mentioned that Freddie and John have children in IBTYF. Where are they and how old are they when Freddie passes? Do they stay with John with Brian and Roger? And Rog and Brian's kids?

Freddie and John's kids (and Brian and Roger's) are born sometime in the late 70s/early 80s. So by the time Freddie passes, they're pretty much still preteens. Freddie and John's children stay with John when he goes to live with Brian and Roger. They're close with Brian and Rog's kids anyway, but they basically become like siblings when they all live together.

The kids won't really appear in SOMOTF though, as at this point in the timeline they're all adults and are off doing their own thing and raising their own families.

Standing On My Own Two Feet- Deleted Scene

WARNING: mentions of character death

November, 1991

Brian sighs the minute the front door closes behind him.

It's good to be home.

The air outside had felt too thick, too suffocating. He feels as though every ounce of energy has been drained from him; all the emotional strength he'd built up in preparation from today was gone. But he knows he has to be strong for just a little longer, and not just for his own sake.

Brian is jolted from his thoughts when he feels a gentle hand on his arm.

Roger removes his sunglasses, smiling up at his Dom with blue eyes so beautiful that they still take Brian's breath away, even after twenty years.

"Shall I make some tea?" Roger asks softly. "To warm us all up a bit?"

Brian glances to his other side, where John is standing in silence, his face still covered by his mourning veil. He's barely said a word since they'd left the church.

"I think that's a good idea, Rog." Brian kisses his sub's cheek, and caresses the skin above the younger man's collar. "I'm chilled to the bone."

Roger glances worriedly at John, before giving Brian a nervous smile and disappearing to the kitchen.

Brian takes a deep breath, and turns to John. “Are you feeling a bit warmer now?”

The sub tilts his head slightly. “A little. I suppose.” His voice is still a little shaky.

Brian smiles reassuringly. “You’ve done brilliantly today, John. Rog and I are so proud of you. Freddie would be too.”

John’s shoulders drop.

Brian tries his best not to let his smile crack as he reaches out to gently take hold of John’s veil. “I don’t think there’s any need for this now, eh? Now we’re in private.”

He lifts John’s veil from his face, pushing it back over the sub’s head. His heart breaks when he sees the tears on John’s cheeks, but still he doesn’t allow his smile to falter.

“There we go,” Brian says gently. “Now we can see your lovely face. Much better.” He brushes John’s tears away with the pads of his thumbs. “How are you feeling?”

John shrugs, looking up at Brian with eyes wet with unshed tears. “Like the love of my life is dead.”

The pain in the sub’s voice goes straight through Brian’s heart like a harpoon. He pulls John close, taking the younger man in his arms in some attempt to comfort him.

“I’m gonna take care of you,” Brian says softly. “It’s gonna be painful, but we’ll all be here for each other.” He gives John a kiss on the cheek. “We’ve got a room ready for you upstairs. I know how hard it must be to have to settle into a new home with...all this going on. So if you need anything at all, you just let us know.”

John nods and gives a shaky smile. “Thanks, Bri. I know Freddie asked you to do this, but I don’t want to be a burden-“

“Hey,” Brian says immediately. “You could *never* be a burden. Even if Freddie hadn’t asked me, I

still would have offered you this.”

“And I really am grateful.” John takes the Dom’s hand in his own and squeezes. “Thank you for everything you’ve done.”

Brian tries not to think about all the Doms he’d had to firmly steer John away from today- all the record executives and powerful figures in the music industry who’d attempted to offer to claim John right there next to Freddie’s coffin. It made Brian want to be sick.

Roger appears from the kitchen, with a much more convincing fake smile on his face. “There he is! You look a lot more beautiful without that thing on your face, Deaks. I tell you, at Brian’s funeral I won’t be wearing any of that traditional mourning sub crap, and everyone can just deal with it and hate me when I turn up in leather and leopard print.”

John laughs at that; the first genuine laugh Brian has heard from him in a week.

“So,” Brian says, smiling gratefully at Roger, “I was thinking that to help John settle in, perhaps the two of you could share a room for a little while?”

“I wouldn’t want to take your sub away from you,” John says quickly, despite looking pleased at the idea.

“Nonsense. Rog won’t mind and neither will I. Isn’t that right, Rog?”

Roger smiles. “It’ll be fun, Deaks. Like when we used to live together and we’d share a room to get away from the Doms sometimes.”

John gives Roger a small smile. “I don’t mind sleeping with both of you, if that makes things easier?” His smile falters when he realises what he’s said. “As in, in the same room-“

“Of course,” Brian says gently, squeezing John’s hand. “But for now I think it’s best if you just share a room with Rog. At least for the first few weeks. I’m not sure if it would be, er, *appropriate* for you and I to share a bed immediately.”

Brian knows that if Freddie were here, he'd think nothing of it, but he still finds the thought of sharing a bed with his late best friend's sub so soon after his funeral a little disrespectful.

John nods, his face dropping a little. "Yes. Of course."

"In a few weeks though," Brian promises. "And I hope you already know this, but don't for a second think you'll have to do anything sexual with me. Ever. I know it's...customary, but this arrangement comes with no strings attached."

"I know," John says softly with a grateful smile, eyes shining.

"He's lying," Roger says playfully, elbowing John. "He'll be feeling you up at breakfast tomorrow, trust me."

John laughs, but Brian shoots Roger a warning look.

"Oi!" Brian chuckles. "Cheeky thing. You'll get a punishment for that later. Now, why don't you give John some tea, then take him upstairs and help him out of this gear? Get him into something more comfortable?"

"Yes, Master." Roger pokes his tongue out. "We can have a bath too if you like, John? Just like the old days."

"Sounds lovely," John says with a tired smile, allowing Roger to take his hand and guide him to the kitchen.

Brian sighs, feeling a headache building beneath his temples, and is just about to go and splash some water on his face when Roger reappears holding a bouquet of flowers.

"These arrived this morning," Roger says quietly. "John hasn't seen them. I wasn't sure what to do with them."

Brian frowns as he takes the flowers from his sub, squinting as he reads the elegant card attached to the beautiful box.

Dear John,

Sending you my deepest condolences at this sad time. It would be lovely to hear from you again- please don't hesitate to get in touch if you need anything.

With best wishes,

Ray Foster

Brian swallows and hands the bouquet back to Roger. "Throw them away. Don't show them to John."

Roger nods, and pushes himself onto his toes to kiss his Dom's cheek. "I know how difficult today must have been for you. Being strong for yourself and for two subs must be draining. But you know we're here for you just as much as you're here for us, right?"

Brian smiles tiredly. "Right."

"Love you, Bri."

"Love you too, Rog."

Yay! So glad you enjoyed it! More to come soon! ?

Ahh someone else mentioned the naked photo shoot too and I really love this hc! It was originally conceived as a PR stunt- a couple of naked subs would likely drive up record sales with Doms, but Bri and Freddie can see how uncomfortable it makes Rog and John so they suggest they do something a bit daring and all do a naked photo shoot. Which actually ends up driving up record sales with subs...

So in the IBTYF and SOMOTF worlds are all children treated the same? Or is it like a you know Dom children are treated differently than sub children sort of thing?

At the time of SOMOTF, times have changed a bit so kids mostly grow up being treated the same. At the time of IBTYF however, it would be unusual for sub children to be encouraged to think about pursuing careers as adults or to do anything other than run the household for a Dom.

Will Joe and Ben joke around in their accounts like they do irl in SOMOTF? How does the public react if so at seeing two subs joking about being together or fighting w a Dom (gwil) for the other?

Yep, the Ben/Joe friendship will be strong and very similar to how it is in our own universe. The public find it strange that the two subs seem to have such an easy banter with a Dom, and that Gwil seems to just accept the jokes that are sent his way. The subs have a running joke hat they're a couple, which the public finds quite endearing (although they end up getting a lot of crude comments from Doms on social media).

If Brian gets depressed after Freddie dies in the IBTYF verse like he did irl, how do he and Roger deal with it? Because I guess Roger wouldn't be too used to be in the role of the one giving comfort, considering it's usually doms comforting subs and not the other way around. Does that maybe make Brian feel like he's kinda failed his role as a dom? Because he's supposed to be taking care of Rog but instead he can barely look after himself.

Brian has an even bigger struggle in the IBTYF verse because he feels he has the additional responsibility of taking care of John. He essentially promised Freddie on his deathbed that he would look after John, so Brian feels like he has to be this big strong Dom who's taking care of two subs and who's always in control. At first Brian manages to hide how badly he's coping by busying himself with making sure the subs are ok, but the cracks soon begin to show. He breaks down in bed one night when he finally has a chance to calm down, and Roger immediately holds him and tries to comfort him. Brian does feel ashamed that he's letting this overwhelm him so much, but Roger reassures the Dom that it's really important for him to talk about his feelings. Doms should cry if they want to cry and be just as emotionally vulnerable as subs when they feel like it. John is also really supportive- in fact, it makes him feel better knowing he's not the only one going through this nightmare and he wants to help Brian just like Brian's been helping him.
